## Workplace Sexual Harassment Prevention and Support Resources (Manitoba)

If you have experienced workplace sexual harassment, there are places that can help. You don't have to do this alone, and you have a choice about what steps you take next. There is no right answer – support comes in many different forms and we hope you can find something that fits for you. Here are some potential starting points:

### Support might mean talking to someone about your experience...

### Support might mean help understanding your options for making a formal complaint...

Workplace Sexual Harassment Hotline for Manitoba:

**The Community Legal Education Association (CLEA)**  
**1-877-226-4366 (toll-free)**

**Monday to Friday, 9:00 a.m. - 12:00 p.m.**

Staffed by a lawyer who can provide legal information and advice, make appropriate referrals to agencies, print and other resources. In appropriate circumstances, they can also refer the client to a lawyer on CLEA's lawyer referral panel for representation.

If you want more information about the hotline, your rights as a worker, the responsibilities of your employer, and the legislation about workplace harassment visit:
